Copy of Municipal Engineer's report No G1 6068 dated 6-6-1949

Submitted to the Municipal Commissioner, Bangalore City

It is most desirable to have a mixer of this sort so that shuttering may be got done departmentally as it would workout very much cheaper than giving the work on contract A planned programme for shuttering all the main roads in the City could be put up after the mixer is got This may kindly be placed before the Managing Committee and Council for approval
